**Stanstead Township :** Saturday May 20 mai, 9:00 to 11:00 AM at Parc Forand

**Magog :** Sunday, May 28, 10:00 AM to 15:00 PM at LAMRAC, 69 chemin Roy, in Magog

**\*\*There are no reservations possible. Just show up at the appointed date and time\*\***

## **Please bring your reusable bags or containers**

**!** Available species are unconfirmed, but generally there are maple, oak, cherry tree, spruce and pine. **!**

Planting trees contributes to the reforestation of the watershed. By planting trees on your property, you help maintain good water quality, protect soil integrity, preserve biodiversity, and much more !

The trees are compliments of the Québec ministry of natural resources and forests in collaboration with the Association Forestière du Sud du Québec.
